

## High School Elective/Options Occupational Health and Safety Code of Conduct Agreement

### Rights

- Have a safe work space
  
- Gain experience with relevant equipment
- Have access to equipment in good working order

### Responsibilities

- Follow all safety precautions, including:
  - Wear appropriate enclosed footwear
  - Wear specific safety attire, such as safety glasses or aprons
  - Have hair tied up
  - Remove jewellery including watches as required
- Use equipment only as instructed
- Ensure all equipment is left in good working order, including:
  - Work area is clean and tidy
  - Any wear and tear is reported in a timely manner to the teacher

### Consequences

1. If the Occupational Health and Safety Code of Conduct is broken 3 times (equalling 3 visits to the office), your right to be in the Technologies block (Home Economics and Design and Technology areas) will be suspended for 2 weeks.
2. If the Occupational Health and Safety Code of Conduct is broken again, resulting in a fourth visit to the office, your right to be in the Technologies block (Home Economics and Design and Technology areas) will be suspended for the remainder of the term.
3. If Occupational Health and Safety Code of Conduct are broken again, resulting in a visit to the office, your right to be in the Technologies block (Home Economics and Design and Technology areas) be terminated and alternate work will be provided.
