

## Post-Compulsory Education Charges Year 11

### Information for Parents/Guardians – 2026 Charges

Government funding provides for the core educational needs of students in Western Australian public schools, including staffing, facilities, and basic resources. Schools receive funding based on student enrolments and individual learning needs.

Year 11 are classified as Post-Compulsory Education under the School Education Act 1999 and the School Education Regulations 2000. As such, all course charges for students enrolled in these years are deemed compulsory.
