

Contributions & Charges Year One

Information for Parents/Guardians – 2026 Contributions and Charges

Government funding provides for the core educational needs of students in Western Australian public schools, including staffing, facilities, and basic resources. Schools receive funding based on student enrolments and individual learning needs. However, financial contributions from families play a vital role in enhancing the quality and breadth of learning experiences offered.

Contributions (Pre-Primary to Year 6)

Kambalda West District High School requests a voluntary contribution of **\$60 per student**, used to support classroom resources and materials such as:

- Photocopying, printed/electronic materials
- Reading materials
- Science and art supplies
- Technology & Enterprise consumables

Charges (K–10)

Extra Cost Optional Charges are optional activities or services that incur compulsory charges if selected. These include:

- Camps, excursions, incursions
- School photos
- Social events

These activities are not covered by standard contributions and rely on full payment to proceed.

In accordance with requirements of the School Education Act 1999 and School Education Regulations 2000, the Kambalda West District High School (DHS) School Council has reviewed and endorsed the schedule of the Contributions, Charges and Personal Items Lists for 2026.
