

## Welcome – Open Night 2021

Dear Parents

As a state we are still seeing the effect of COVID and we must continue to be vigilant. Whilst the affect here in Kambalda has been minimal and we can enjoy such events as an outdoor assembly, we must continue to do our part. There are still restrictions on indoor gatherings including a two square meter rule.

The annual Open Night meet and greet is scheduled for next week and we are going to be doing things a little differently and making the most out of this opportunity. Each class and Learning Area are busy creating an electronic meet and greet with all the essential elements that parents and families need to know. The finished products will be posted to our Facebook Page, to our school app Compass and to our website.

The benefits

- We are doing our part to keep WA safe
- The students are learning new skills and embedding technology into their daily lives
- The teachers are addressing the Business Plan priorities
- Parents have a permanent reminder of some essential elements of the class
- Extended family are able to be a part of the children's lives

Stay tuned for the notifications this Thursday. We hope you enjoy what the students and teachers have prepared. As always, if you have questions of concerns please call into the office or use one of our many forms of contact;

- Phone – 90272950
- Email – [kambaldawest.dhs@education.wa.edu.au](mailto:kambaldawest.dhs@education.wa.edu.au)
- Web enquiry - <https://www.kambaldawestdhs.wa.edu.au/contact>
- School app - <https://www.compass.education/compass-features/compass-for-parents>

If you would like to make an individual appointment with one of the teachers. Please fill out the form on the web contact or call the office. We will schedule a time that suits.

King regards
